Jigtech unrivalled performance

The Schema Collection boasts an ultra-slim rose design that perfectly complements the revolutionary Jigtech system. This sophisticated design offers a sleek, modern look while ensuring a seamless fit with Jigtech's innovative technology. Jigtech's system significantly reduces installation time by up to 75%, providing effortless and precise fitting.

This combination of elegant aesthetics and cutting-edge efficiency delivers both beauty and functionality, making it an ideal choice for a refined and streamlined interior.

The Schema collection is designed exclusively for the Jigtech system and works only with Jigtech PRO. Visit our website for more details.
